

12th Annual San Diego Strong Ale Festival Connoisseur Session Beers

Welcome to the San Diego Strong Ale Festival Connoisseur Session. All of these beers will be available until they are gone on the right side of the bar. Please do not stand in front of the right side of the bar as we will need this area to serve these special beers.

The Green Flash Cask will be available at the far left side of the bar, where the rest of the cask beers are located.

Please enjoy yourself and have fun!
